

# Bause's Super Drug Store provides friendly service

As a long-standing retail pharmacy business in the Boyertown community, Bause's Super Drug Store is dedicated to providing quality pharmaceutical products, professional services and patient education to the surrounding community. We try to make the Boyertown area a better place to live in and work in by providing a positive, fair and friendly environment for both customers and employees.

Larry L. Mellott and his wife Jane are continually committed to providing friendly, professional pharmacy service to the Boyertown area.

Most prescriptions are filled within no more than 15 minutes and we will meet or beat any Rx price within a 5-mile radius. Every prescription plan is accepted and we are happy to provide end-of-year statements for tax purposes.

We are proud members of the Diabetes Shoppe®. The Diabetes Shoppe® enhances the quality of life for people with diabetes by providing personal education, quality products and individualized service.

We provide the FLAVORx flavoring system to make taking prescription medicines easier. FLAVORx takes the YUCK out of medicine for children, as well as adults who cannot take pills and don't care for the taste of their liquid medications. We offer over 42 flavors. Stop by and see our flavor list. We also provide the FLAVORx program for our furry and feathered friends as well. If your pet needs medications, we can flavor

them—crispy bacon, grilled tuna, chicken pot pie, peanut butter and more – keep them coming back for more!

Free blood pressure checks are always available – we will even leave a pencil and notepaper to keep track of your blood pressure.

Fax Service is provided daily – local or international – for a nominal fee.

Don't forget our UPS shipping department – making your shipping process quick and easy! Packing supplies are also available for purchase.

We sell 50-cent money orders and also have a photocopier available to the public for only 5 cents a copy!

Bause's features Carlton greeting cards and we continue to promote the Greeting Card Club, where for every FIVE greeting cards a customer buys, they get one free! The card and gift section is a must see with new items arriving daily. You'll find a big selection of penny candy and we hope to continue that for many years to come, trying to preserve the "down home feeling" that is hard to find in this "super-size & jumbo" world!

Customers can choose between FREE DOUBLES or a FREE ROLL OF FILM with every roll of 35 mm film that is developed in our store. We proudly provide KONICA Film Processing services. We have everyday low prices with a 24 hour turn-around time.

Daily free delivery is available, not just for prescriptions...but for anything in the

store. Just call and ask! If it's not in stock, we can special order almost anything a customer might need, usually with only a one-day turnaround time!

Customer service is very important to our staff – It's their number one priority! Our current customers know they can get personalized service – no extra charge. New customers who come into the store for the first time enjoy the "down-home" atmosphere and are pleased with the differences we provide over their competitors.

Bause's dedicated staff includes: Larry L. Mellott, R.Ph., Jane Mellott, Sheila Getzoff, Brenda Pell, Stacy Adams, Katie Mellott, Brad Freimann, Brenda Semach, Stacy Davidheiser, Kevin Davidheiser, Hannah Mellott, Pat McCamtu. Becky Eddinger, Lyndsey Letnaunchyn and Laura Ramirez. Bause's Super Drug Store couldn't open the doors each day without them!

Many people don't realize there's free one-hour parking available behind the building in the Inner Core parking lot. If you're lucky and you find a parking spot on the street out front, you can grab a nickel from the "Free Parking On Us" jar which is always available at the back register.

Call in your prescription number for quick and easy, "no-wait" refills! Bause's Super Drug Store is open 9 a.m.-9 p.m., Monday thru Friday; 9 a.m.-5 p.m., Saturday and 9 a.m.-2 p.m. Sunday.

Stop by and say hello!
